To: Marcelo Magalhães Pinto

Dear Marcelo:

On behalf of the JCM department we are very pleased to name you as a Marian McPartland Scholar in recognition for your excellent academic work and service to the school. Ms. McPartland has generously provided a fund that assists outstanding jazz graduate students in their studies at the Eastman School of Music.

Congratulations on this honor and thank you for your work as a departmental assistant in jazz theory and jazz piano styles classes and in the Jazz Performance Workshops. Your recitals and lecture/recital were very important events in our educational agenda. Best wishes to you as you go forward on your musical journey.

Sincerely,
